Shenzhen Fiberlink Tech Co.,Ltd

Next-gen Fiber Optic Connectivity Solutions

ABOUT US

COMPANY PROFILE

Shenzhen Fiberlink Tech Co., Ltd is an ISO9001-certified factory specializing in the R&D of optoelectronics & fiber optics technology in Shenzhen, China. For the past 20+ years, our team members have actively worked in this dynamic field, accumulating extensive expertise and knowledge, making us a trusted and innovative partner for fiber optic connectivity products and solutions.

We specialize in OEM and ODM services for fiber optic connectivity products, including fiber optic HDMI,USB,DisplayPort,DVI,Toslink cables and customized cable assemblies. Our products cater to a wide range of applications, such as AI PCs, audio-visual setups, broadcasting, conferencing, education, home theater, machine vision,medical,industrial,security,XR, and more.

Our primary goal is to be the 1st choice and continuously help customers gain more market share and boost sales through technological innovations. We are committed to developing and producing high-quality products for long-term success.
